COMPANY OVERVIEW

With 18 years of experience in the sweater manufacturing industry, Eva Sweater Ltd. is the trusted partner for global brands seeking high-quality sweater production in Bangladesh. Our vertically integrated operations, from yarn sourcing to finished garments, ensure consistent quality control and efficient production.

Eva Sweater Ltd. holds a significant place in the history of Bangladesh's knitwear industry. Established in 2002, it marked the beginning of what would become a larger, more expansive manufacturing operation, now known as Eva Sweater Ltd.

We are dedicated to building long-term relationships with our clients based on trust, transparency, and mutual success.

COMPANY VISION

To be one of the leading garments manufacturer and exporter of Bangladesh by producing top quality products.

To be the preferred partner for leading global brands, known for our exceptional craftsmanship and commitment to excellence in sweaterproduction.

COMPANY MISSION

We will satisfy our buyers as well as other regulatory requirements ensuring to provide quality service and products.

To meet the goal we are committed to put the best endeavors and work as a team efficiently for continual improvement of the quality

MESSAGE FROM CHAIRMAN

Mr. Idris Miah
Chief Executive Officer

At Eva Sweater Ltd., we are dedicated to the art and precision of sweater manufacturing. Our unwavering commitment to quality, innovation, and craftsmanship ensures that every garment we produce meets the highest international standards.

With a skilled workforce, cutting-edge technology, and a relentless pursuit of excellence, we take pride in delivering premium-quality sweater to the global market. Our focus on sustainability, ethical practices, and continuous improvement drives us forward, making Eva Sweater a trusted name in the industry.

MESSAGE FROM MD

At Eva Sweater Ltd., we believe in the art of sweater making. We are passionate about crafting high-quality garments that reflect our dedication to detail and superior craftsmanship.

Our skilled workforce, combined with state-of-the-art technology, enables us to deliver exceptional products to the global market
